

MISSIONS CONNECT

“God sometimes give us wonderful, heart pounding moments of grace. Last December in Iraq we were able to visit a village that was ‘across the red line.’ The man leading our mission began speaking to a small group of Kurdish soldiers... He then took an audio Bible and put it in the hands of the Commander...He told him that he was giving him a Bible, that it taught about Jesus, and that he must listen to it. To my surprise, the Commander took the Bible happily. Soon, we were handing out audio Bibles to the other soldiers. ‘We have brought food for the village, but we have brought a gift for you too.’ It was a small reminder that God is not silent. Even in the middle of hurt and chaos, He has good news to share.” **Irfan Abdullatif**
